

Dear PhD candidate,

welcome to the Life Science  
Zurich Graduate School (LSZGS),  
a platform that unites excellent  
international PhD candidates  
with the cutting edge research  
offered in the greater region of  
Zurich, Switzerland.

Our aim is to make your PhD a  
memorable experience and to  
link you with international  
experts across the two leading  
institutions, University of Zurich  
and ETH Zurich.

For further information please  
visit us on:
